Mr. Foster introduced himself to the group and reviewed current RREDC projects. **1) Farm Service Agency (FSA):** FSA is a division of the U. S. Dept. of Agriculture. Since the bankruptcy of Humboldt Creamery there has been a need for financial assistance for local dairies. RREDC and the Small Business Development Center have joined forces to make financial and technical assistance available to local dairies. RREDC's part would be to service loans made directly from FSA to the applicant and/or make loans with an FSA guarantee.

**2) Cal Cap Program:** Recently RREDC was denied participation in the CalCAP (California Capital Access Program) program. CalCAP offers loan portfolio insurance for lenders to insure against loss on under-collateralized loans.

**3) County CDBG Fund:**

**4) Revolving Loan Fund Plan Update:** RREDC is required by the EDA to update the revolving loan fund plan. Loan members were asked to help with revision of plan. The RLF will be renewed at the next Loan Committee meeting.

**5) RREDC website:** The RREDC website is being revamped. Members are asked members to review the site, especially the Loan Program section, and send comments or suggestions to Gregg.

**C. Discussion of Loan Committee Vacancies:** There are two vacancies on the committee; one in small business and the member-at-large position. Committee members were asked for proposals of possible candidates.
